

## Who we are

RhED is a state-wide program across Victoria that provides health education, support, advocacy and case management services for sex workers.

RhED is staffed by people who work in the sex industry, have worked in the sex industry and other health professionals.

RhED is made up of the Support and Advocacy team and Pathways case management program.

RhED staff have a broad knowledge of the sex industry and an awareness of the kinds of issues sex workers can face.

## Who we support

RhED supports all current and former sex workers from all areas of the sex industry, including: brothel/parlour workers, private and escort workers, street-based work, stripping/dancing, massage, porn & cam work, sugaring and opportunistic sex work.

RhED services are for all sex workers from all gender identities, backgrounds, cultures and sexualities. Services are available to all Victorian sex workers and people who travel to Victoria to work, regardless of visa status.

RhED is also able to provide support to sex industry owners, managers and clients, families, health, government and community agencies. We provide educational talks and secondary consults. Please call 1800 458 752 for more information.

Sex work is work.

RhED supports full decriminalisation of sex work in all areas of the industry.

RhED advocates for the labour rights and human rights of sex workers and the elimination of the stigma and discrimination which contributes to violence towards and marginalisation of sex workers.

RhED acknowledges, supports and welcomes people of all genders and sexual orientations

RhED respectfully acknowledges the sovereignty of the traditional custodians of the lands and waters of Victoria
